

ContextManager::processPosition

```
graph RL; main[main] --> ContextManager[ContextManager::processPosition];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'ContextManager::processPosition'. The box on the right is white and contains the text 'main'. A dark blue arrow points from the right side of the 'main' box to the left side of the 'ContextManager::processPosition' box, indicating a call or relationship from 'main' to the function.
